Your request may involve the need to search for and collect potentially responsive records from facilities or other establishments that are separate from the City Attorney's Office, which is processing your request, and seeks information that may involve a voluminous amount of records and will require the need to search for, collect, and appropriately examine the separate and distinct records requested and additional time to compile the data requested. Under Government Code section 6253, subdivision (c), paragraph (2), this letter serves as notice that the City will require the permitted extension of time.

Under the Act, an extension of time may not exceed 14 days from the original 10-day deadline, rolling to the next Monday if such date falls on a weekend. We will provide you with a response not later than January 21, 2019. We appreciate your patience and understanding in this matter.

Very truly yours,
